

Waste Disposal Rules for Kusatsu

… and how to understand the garbage calendar

This booklet explains how to throw away household waste in Kusatsu. Please use this booklet along with the garbage calendar to make sure you dispose of your garbage in the correct way.

In Kusatsu, we divide the household waste in two categories. One is the waste that can be dropped at the designated drop-off site of your neighborhood, and the other is the waste that cannot be dropped at the designated drop-off site.

Please make sure where your designated drop-off site is by asking your landlord or neighbors.

Kusatsu city has rules of how to throw away your garbage. If you dispose your garbage incorrectly, the city will not collect them, and it will cause problems for people who live near the drop-off site.

Please take a careful look at this booklet, and throw away your garbage correctly.

The waste that can be dropped at the designated drop-off site.

In Kusatsu, you can drop the following garbage at designated drop-off site. Different kinds of garbage are colored in different colors on the garbage calendar. Make sure that you are disposing the correct items on the assigned day.

Kind of Garbage		Color in the Calendar	How to Dispose
burnable items		blue	designated bag
plastic containers		pink	designated bag
plastic bottles		green	designated bag
cans		grey	container
food & beverage glasses		light blue	container
Solid waste for crushing		purple	clear bag
ceramic / glass		orange	clear bag
paper	newspaper, ads	bright yellow	Bundle with string
	magazine, miscellaneous recyclable paper	yellow	
	cardboard	brown	

Please dispose them between 6 AM and 8 AM of the collection day.

Burnable items (blue)

Please use the city's designated bag for the burnables. We will not collect cardboard or trash that are in different bags.

Burnable items include:

- Raw garbage (kitchen garbage, food, tea leaves, fruits peels, etc.) - Please drain water.
- Paper waste (paper, paper cups, paper diapers, etc.) - Please take off the solids from

diapers -- Please drop cake boxes and wrapping paper on the “magazine & miscellaneous recyclable paper” day.

- Rubber, leather and fabric product (shoes, bags, pillows, curtains, etc.)
- Plastic waste except plastic bottles and containers (cassette tapes, video tapes, CDs, DVDs, game softwares, toothbrush, plastic toys, etc.)
- Home medical waste (plastic bags, tubes, catheters, cotton, gauze, etc.)
- Other (disposable body warmer, wet pack, ice pack, etc.)

You have to strap wood and branches with strings. Each piece of wood or branch has to be less than 50 cm long and less than 5 cm diameter.

Plastic containers (pink) Only the ones with the recyclable marks 

Please use the city's designated bag for the plastic containers . We will not collect them if they are in different bags.

Plastic containers include:

- Bags, nets, trays, cups, tops, labels, cushioning made of plastic - Please make sure that they are empty. If there are food remains, please rinse them off.

Even if the plastic trash has the recyclable mark on it, if it does not get clean by washing, or if you need lots of soap to wash it clean, throw them away with the burnables.
Please don't double bag your plastic container-trash.

Plastic bottles (green)

Please use the city's designated bag for the plastic bottles. We will not collect them if they are in different bags.

Plastic bottles include:
